

Miggie Bruce

Botanical Artist – Burghelere

E-mail: <miggieb@brucephoto.co.uk>

I was born in Newbury and have lived in the area all my life. I am the younger daughter of local artist, G W Allinson, who worked mostly in oils and gouache, and painted landscapes, portraits and equestrian subjects.

I learned the rudiments of watercolour at evening classes in the early nineties and progressed to botanical painting under the tutorship of renowned botanical painter and four times RHS Gold Medallist, Jenny Jowett. I have sold work in a number of exhibitions across the South of England and had several shows in collaboration with friends.

I always paint my natural subjects from life. I am particularly fond of native flora, fungi and lichens. See more of my work on my facebook page - <<https://www.facebook.com/miggiebruce/>>

Limited edition prints are available of the Primula Auricula, Pineapple and Gorse as below and cards of the Pears, Sloes, Pineapple, Primula Auricula and Gorse. A number of other prints and cards are available.
